What's in the Box

Mount

Camera

Mounting Hole Template

1m Ethernet Cable

Waterproof Lid

Pack of Screws

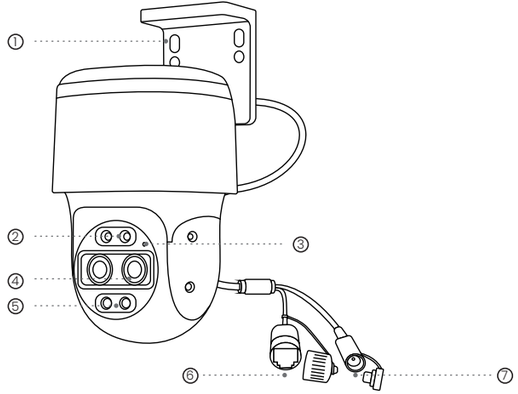

Surveillance Sign

Operational Instructions

Camera Introduction

① Mount

② Infrared Light

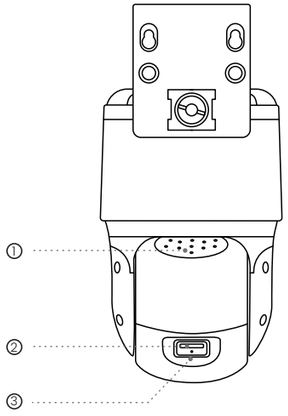

③ Built-in Mic

④ Lens

⑤ Spotlight

⑥ Network Cable

⑦ Power Port (Optional)

① Speaker

② microSD Card Slot

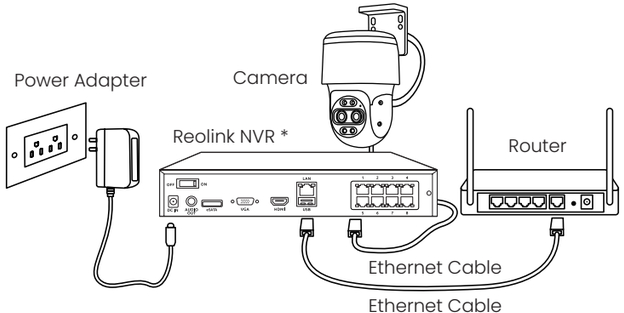

③ Reset Button

* Press for about 10 seconds to restore the device to factory settings.

Connection Diagram

Before using the camera, please connect your camera as instructed below to fifinish initial setup.
1. Connect the camera to a Reolink NVR (not included) with an Ethernet cable.
2. Connect the NVR to your router, and then power on the NVR.

NOTE: The camera should be powered with a 12V DC adapter or a PoE powering device such as PoE injector, PoE switch or Reolink NVR (not included in the package).

* You may also connect the camera to a PoE switch or PoE injector.

Set up the Camera

Download and launch the Reolink App or Client software, and follow the onscreen instructions to finish initial setup.

- **On Smartphone**

Scan to download the Reolink App.

Download on the App Store

GET IT ON Google Play

- **On PC**

Download path of the Reolink Client: Go to https://reolink.com > Support > App & Client.

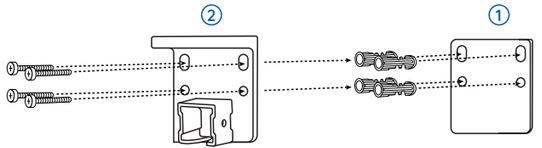

NOTE: If you are connecting the PoE camera to a Reolink PoE NVR, please set up the camera via the NVR interface.

Mount the Camera

Installation Tips

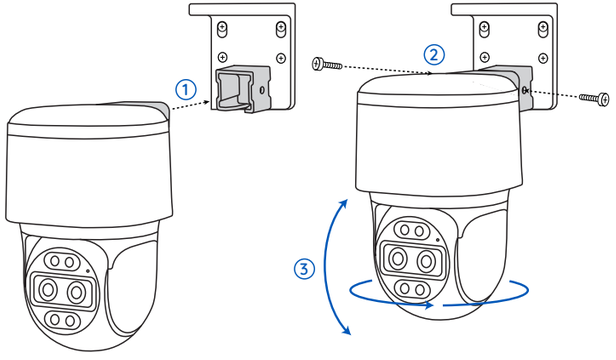

• Do not face the camera towards any light sources.
• Do not point the camera towards a glass window. Otherwise, it may result in poor image quality because of the window glare caused by infrared LEDs, ambient lights or status lights.
• Do not place the camera in a shaded area and point it towards a well-lit area. Otherwise, it may result in poor image quality. To ensure best image quality, the lighting condition for both the camera and the capture object should be the same.
• Make sure the power ports are not directly exposed to water or moisture and not blocked by dirt or other elements.
• The waterproof camera can work properly under conditions like rain and snow. However, it doesn't mean the camera can work underwater.
• Do not install the camera at places where rain and snow can hit the lens directly.

Mount the camera to the wall

1. Drill holes as indicated in the mounting template. Use included long screws to secure the bracket.

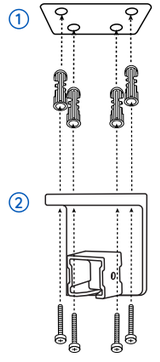

NOTE: Use the included drywall anchors if needed.

2. Align the camera with the groove on the bracket. Use the included short screws to secure the camera.

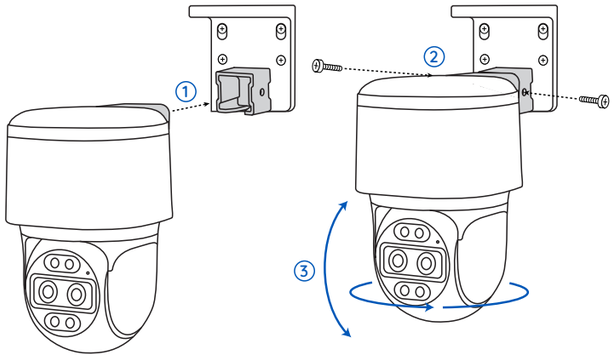

NOTE: To adjust the camera's viewing angle, you can remotely pan and tilt the camera via the Reolink App or Client.

Mount the Camera to Ceiling

1. Drill holes as indicated in the mounting template. Use included long screws to secure the bracket.

NOTE: Use the included drywall anchors if needed.

2. Align the camera with the groove on the bracket. Use the included short screws to secure the camera.

NOTE: To adjust the camera's viewing angle, you can remotely pan and tilt the camera via the Reolink App or Client.

Troubleshooting

Camera is not powering on

If your camera is not powering on, please try the following solutions:

• Make sure your camera is powered on properly. The PoE camera should be powered by a PoE switch/injector, a Reolink NVR or a 12V power adapter.
• If the camera is connected to a PoE device as listed above, connect it to another PoE port and check again.
• Try again with another Ethernet cable.

If the problem is not solved, please contact Reolink Support.

Picture is not clear

If the picture from the camera is not clear, please try the following
solutions:

• Check the camera lens for dirt, dust or spiderwebs.
• Point the camera to a well-lit area. The lighting condition will affect the picture quality a lot.
• Upgrade the firmware of your camera to the latest version.
• Restore the camera to factory settings and check it again.

If the problem is not solved, please contact Reolink Support.

Specifications

Hardware Features

Infrared Night Vision: Up to 30 meters (100ft)
Day/Night Mode: Auto switchover
Field of View: Horizontal 104°-38°; Vertical: 60°-21°

General

Dimension: 228*147*110mm
Weight: 1.21KG
Operating Temperature: -10°C~+55°C (14°F~131°F)
Operating Humidity: 10%~90%
Ingress Protection: IP65

Important Safety Instructions

Please read the instructions carefully before using the device.

Important Safety Instructions
Please read the instructions carefully before using the device.
1. Replace only with the same or equivalent type of accessories recommended by Reolink.
2. Do not use the device in an environment that exceeds the recommended temperature range.
3. Do not use the device in an environment that exceeds the recommended humidity range.
4. Do not attempt to disassemble, repair, or alter the device by yourself.
5. Always follow the local safety laws and regulations when using the device.
6. The device contains (or comes with) small components, small plastic elements, and other small parts that may cause choking hazards. Keep the device and its accessories out of reach of children. Consult a physician immediately if small parts are swallowed.
7. The device contains (or comes with) cables or cords that may cause strangulation hazards. Keep the device and its accessories out of reach of children.
8. The product doesn't include assistive features. Customers with disabilities can use devices with assistive features, like computers or smartphones with text-to-speech tools, for accessibility. For individuals with visual or physical impairments, professional help may be needed for installation. Once installed, the product can be controlled entirely via the app.

Legal Disclaimer
